

Here's the golden question-----Why is the SDA organization (supposed to be God's remnant church) not being persecuted today? Why is the church enjoying a golden age of peace and prosperity? Aren't these the last days? Is Satan sleeping or has the church become a synagogue of Satan?

Ellen White gives us the answer, and there is only ONE reason, which wholly lies with the church:

"There is another and more important question that should engage the attention of the churches of today. The apostle Paul declares that "all that will live godly in Christ Jesus shall suffer persecution." [2 Timothy 3:12.] Why is it, then, that persecution seems in a great degree to slumber? - The only reason is, that the church has conformed to the world's standard, and therefore awakens no opposition. The religion which is current in our day is not of the pure and holy character that marked the Christian faith in the days of Christ and his apostles. It is only because of the spirit of compromise with sin, because the great truths of the Word of God are so indifferently regarded, because there is so little vital godliness in the church, that Christianity is apparently so popular with the world. Let there be a revival of the faith and power of the early church, and the spirit of persecution will be revived, and the fires of persecution will be rekindled." GC88 48.2

In summary, the GC SDA organization has--

- (1) The organization has officially conformed to the world's standard, particularly the standard imposed by the World Council of Churches under the leadership of the MAN OF SIN.
- (2) The organization's faith (including the fundamental beliefs) is impure and unholy, in other words, adulterated with Babylonian doctrines.
- (3) The organization has compromised with SIN.
- (4) The great truths of the Bible are ignored.
- (5) The organization has become ungodly.
- (6) The organization values worldly popularity more than God's approval.
